

HELMUT'S
MARINE SERVICE, INC.

Rate Sheet

Mechanical Labor: \$180/hour billed in 15 min. increments with 1-hour minimum charge.

Yard Labor: \$139/hour billed in 15 min. increments.

Overtime: \$270/hour billed in 15 min. increments

Emergency Overtime: \$360/hour billed in 15 min. increments.

Forklift Rate: \$300/hour with 30 min. minimum

Haul Out: \$14/foot- \$350 minimum charge. Additional charges apply when extra time or labor is required for Travelift services, including offloads and loadouts. For example, excessive marine growth, ablative paint runoff, removal of items necessary to lift the vessel – such as backstays, antennae, coverings, or protective gear such as chine blocks to facilitate lifting.

Emergency Haul Outs: Additional \$600

Other Charges: Safety, Health and Environment (SHE) fee of 5% will apply to all parts purchased.

Storage Fees: Unless other arrangements have been made, storage charges are due at the daily rate after 24 hours when Helmut's Marine is awaiting authorization to begin work, when owner is awaiting insurance claim approval, and/or awaiting deposits or payments on past due amounts. We provide 120 hours of free storage after your project is complete. Should the boat not be retrieved within that time frame, our storage fees will apply. Our storage charges are \$6.00/foot/day. Notice may be given to the Customer either verbally, by email, text, or U.S. Mail to the contact information given by customer on the work order.

Service Calls: \$180/hour billed in 15 min. increments including time for loading the tools and parts necessary, drive time at the same rate, as well as \$2.00/mile plus any bridge tolls. Should a service call take longer than 8 hours due to traffic or a delay in the project, overtime will be charged for time above the 8 hours at \$270/hour. A credit card or alternative payment information must be provided and kept on file prior to sending the technician on a service call.

Parts: We will only keep used parts if requested by the customer at the time of signing the repair order. We do not accept returns without an invoice and/or after 30 days of purchase. There is a 25% restocking fee on Non-Volvo parts (if eligible from vendor) and 20% restocking fee on Volvo Penta parts. There are no returns on electrical parts and special orders. HMS will not install customer supplied parts.

Estimates: Are valid for 30 days.

Safety Regulations: Customers are not permitted in the workshop, yard, or on sea trials. We do not allow 3rd parties to work on our premises.

Deposits: Work over \$10,000 will require a 50% deposit prior to ordering parts or beginning work. Loose parts such as drives, pumps, etc. will require a 50% deposit prior to beginning work. Deposits are not refundable.

Payment: No Boat or engine will be released without payment.

Warranty: Helmut's Marine Service will warranty any repair or replacement work that proves to be defective under normal service conditions for a period of 90 days provided that we receive written notice of the defect within 90 days after departure of the Vessel from our facility. Helmut's Marine Service will perform the repairs at its facilities unless the work had previously been performed as a service call. New genuine Volvo Penta parts and accessories supplied and installed by an authorized Volvo Penta Workshop are covered for 24 months – including the labor involved in fitting the part. Volvo Penta dealer-fitted parts exclude wear-and-tear parts. The fitted parts warranty is for 24 months or 600h (Marine Leisure); 3,000h (Marine Commercial); whichever comes first. Helmut's Marine Service does not warrant the condition of any portion of the Vessel or its equipment in areas that are merely inspected, since many portions of the Vessel may have latent, hidden or undetectable corrosion, fatigue or defects.

From our family to yours, thank you for your business!
